

Insurance

DOB – Revised Policy

The insurers have recently advised that they now require full date of birth details for all PCANSW members. In the event of a claim, this information will be relevant for Personal Accident Benefits that may be due to any potential claimants. The insurers will require PCANSW to confirm the true and correct ages of all members.

Claims Procedure

All claims **MUST** be sent to the state Office. Claims are not to be sent directly to the insurers under any circumstances.
